

2010 YOUTH INITIATIVE TRANSPORTATION INFORMATION

If you are arriving by plane:

All arrivals and departures should be booked to/from Hartsfield-Jackson Atlanta International Airport (ATL).

The local host team will be at the baggage claim terminal waiting for you. Upon your arrival at the airport, please follow the signs from your terminal (T, A, B, C, D, or E) and proceed to the baggage claim terminal. The baggage claim area at the Atlanta airport is all in one area (near the ticketing counters) for ALL incoming flights.

If you arrive at terminal T:

- Follow the signs to the baggage claim area. You will pass by some art exhibits and eventually come out into the main ticketing and baggage claim terminal.
- Look for the YI 2010 welcoming team. They should be right outside the T terminal waiting for you.

If you arrive at terminal A, B, C, D, or E:

- Follow the signs for the baggage claim area.
- The signs will guide you down an escalator. At the bottom of the escalator you may either walk or ride the train (at no cost) to the baggage claim area. (If you arrive at terminal B, C, D, or E it is a good idea to take the train as it will be a long walk.)
- When you get off the train, or at the end of your long walk, you will go up a really long escalator.
- At the top of the escalator, the YI 2010 welcoming team will be waiting for you.

After the YI 2010 welcoming team has helped you find your bags, one of the welcoming team members will escort you to and ride with you on the MARTA (the local subway) to the **North Avenue** station, a couple blocks from GA Tech. The train ride will be approximately 30 minutes.

If your flight changes, if you cannot find the YI 2010 Welcoming Team, and in case of an emergency, please call Gloria Kim at 678-925-3415.

If you are arriving by car:
